

# Colorado Coaching and Hypnotherapy Training Institute

---

## *- Hypnotherapy Volunteer Release Form -*

I understand that I am engaging in unsupervised Hypnotherapy practice sessions performed by an unsupervised student currently undergoing training for certification. I am releasing the Colorado Coaching and Hypnotherapy Training Institute and the practicing student of all liability that may result from these sessions.

Again, I am fully aware that the practicing Hypnotherapist is currently a student and is not yet Certified as a Hypnotherapist.
